VOLUME 1, NUMBER 1

Dr. Judy Skupa Asst. Superintendent of Learning Services will be conducting these focus groups. If you have additional questions please call 613-5014.

Director of Special Education Leadership Focus Groups

The Special Education Department would like to invite you to a series of focus groups that will be held. After 40 years of service in the special education field, Karen Pielin will be retiring. She has been Director of Special Education with Thompson School District for 12 years. These focus groups will provide an opportunity for staff, parents and community to give input into the leadership characteristics desired as the district seeks a new leader as the Director of Special Education. The focus groups are open to all general education staff, special education staff, parents, and community members.
